Requesting Fall Accommodations

Students must request accommodation(s) each semester via [MyAEC](#). At the start of each semester students will be required to read and agree to AEC's E-Agreements before being able to view classes to request accommodation(s). Students can visit the AEC's YouTube tutorial video [MyAEC How To Submit An Accommodation Request](#) for assistance. Faculty will be notified of requested accommodation(s) via MyAEC. Accommodation(s) can be requested at any time during the semester, but remember accommodation(s) are not retroactive and begin the date they are requested. AEC recommends accommodation(s) be requested at the beginning of each semester.

Newly added courses will take approximately 24 - 36 hours to populate into MyAEC. Accommodations can be requested when courses show in MyAEC.

New: AEC Testing opened to support courses designed with scheduled in-person exams only.

On August 17th AEC [emailed](#) students a detailed explanation of AEC safety protocol to support the administration of accommodated exams for courses with scheduled in-person exams. AEC developed a layered approach to COVID-19 safety, with several strategies to reduce the risk of COVID-19 transmission.
