**Scheduling Exams**

In general, students with accommodations should start exams at the same date and time as the class. AEC Testing only approves exam requests that match the standard date/start time in the Faculty Test Accommodation Form.

Students may have academic conflicts (ex: final exams that are scheduled outside AEC's Testing Center hours or exams that overlap due to extended time). Instructors should be flexible and determine alternate dates or times the student can test instead.

Students who request alternate dates/start times must provide written approval from instructors before AEC will approve their request. They can forward an email from their instructor to aec-exams@sjsu.edu or ask instructors to email AEC Testing directly.

Please see our Faculty FAQs for information about scheduling around academic conflicts.

**Faculty Test Accommodation Forms**

Instructors must complete a Faculty Test Accommodation Form for each course a student requests in-person testing accommodations.

1. Discuss testing accommodations and appropriate plans/arrangements with each student who has requested Alternative Testing Accommodations.
2. After meeting with each student, refer to the student’s Faculty Notification Letter. Click on the link located in the red box to access the Test Accommodation Form for the student.*
3. Enter the requested information for **ALL** quizzes, midterms, exams and final exams (i.e., dates, times, standard time limits, and allowed aids such as notes or calculators).
4. Enter any changes/uploads to exam instructions throughout the semester in the MyAEC Faculty Portal or email aec-exams@sjsu.edu. (Examples: Approving students to test on alternate dates/times than the rest of the class, information about approved aids, or changes to standard time.)

**Students are instructed to:**

- Request the "Alternative Testing" accommodation in MyAEC for their courses.
- Meet with instructors to discuss prescribed testing accommodation(s) and arrangements for final exams.
- Submit Test Accommodation Forms for all final exams in MyAEC by April 1, 2023.
- Check MyAEC to view exam approvals and details. AEC will send email reminders before each exam.
Alternatives to AEC Testing

Instructors may choose to administer in-person accommodated exams themselves if students agree to the arrangements. Students have the right to choose to test with AEC.

Instructors must discuss this with students in advance. Arrangements may include:
- Instructor proctors exam themselves with prescribed testing accommodations.
- Instructor enlists the aid of their department to administer the exam with prescribed testing accommodations.
- Instructor utilizes the proctoring services of the University Testing Office with prescribed testing accommodations.

Please consult with AEC Testing for support with identifying appropriate alternatives.
