## **Speaker bios:**

### **[Cheick Camara](#)**

#### **VP, Managing Director ServiceNow**

Cheick Camara serves as the Vice President and Managing Director at ServiceNow Africa, where he brings his visionary leadership and strategic expertise. Beyond his corporate responsibilities, Cheick is deeply committed to education and community development as an advisory council member for the College of Engineering at San José State University. His passion for fostering inclusive environments is further exemplified through his role as co-chair of the Diversity, Equity & Inclusion Committee at the Silicon Valley Leadership Group. Additionally, Cheick dedicates his time and efforts as a board member at the Boys & Girls Clubs of Silicon Valley, supporting youth empowerment and development in the community. Through his diverse roles, Cheick demonstrates a steadfast commitment to driving positive change and fostering innovation across different sectors.

### **[Demetria Webster](#)**

#### **Corporate Responsibility, Ichor Systems**

Demetria Webster is an accomplished leader with extensive experience across multiple industries, including semiconductors and aerospace. Currently serving as the Head of Corporate Social Responsibility at Ichor Systems, she spearheads sustainability initiatives, drives workforce diversity, and employee and community engagement.

With a robust background in operations and program management, Demetria has successfully led cross-functional teams and managed global high-impact projects at The Boeing Company, United Technologies Corporation, and Ichor Systems. She is also the owner of G Harvest Homes Inc., a residential redevelopment business. Demetria holds a BS in Materials Science & Engineering and multiple certifications program management, real estate and entrepreneurship.

## [Suja Viswesan](#)

### **Vice President Security Software Development, IBM**

Suja Viswesan is a compassionate, authentic, radically candid Technology Executive. She has held various leadership roles at IBM, LinkedIn and Warner Bros Discovery in her 20+ years of technology career journey. She is currently VP of Software Development heading IBM's Security Software Development. Her portfolio includes products in Threat Intelligence, Data Security, Identity and Access Management, Fraud protection and Device protection. Some of the suite of products include: QRadar, Guardium, Verify, Trusteer and MaaS360. Suja is a public speaker who has spoken at various universities and at conferences/Events including Grace Hopper conference, Strata Data, Women in big data forums, and girl geek forums. Outside of work, Suja is very passionate about education and women in technology. She is an advocate for Women in Tech. She is a board member and President of the SF Bay Area chapter of Pratham, an educational charity organization that focuses on innovative interventions to address gaps in the education system. She is based in the San Francisco Bay Area.

### **Moderator:**

## [Rangapriya Kannan](#)

### **Dean, Lucas College and Graduate School of Business**

Rangapriya (Priya) Kannan is the dean of the Lucas College and Graduate School of Business and a professor in the School of Global Innovation & Leadership. Her research primarily focuses on how individuals achieve innovation within limited resources using creative resourcing and reframing. Kannan's background includes expertise in leadership to affect strategic change, designing interdisciplinary programs, employee development, alumni and community outreach, and creating inclusive work environments. Her

educational background includes a PhD from UCLA Anderson School of Management and degrees from SJSU, Tata Institute of Social Sciences, and the University of Bombay.
