Specific characteristics of the Site:

Our school district has a dynamic system in place for the social / emotional support of students. We utilize Positive Behavior Interventions and Supports (PBIS) at all sites. We have a full-time mental health counselor for each of our elementary sites who provide individual and group counseling. We have partnerships with outside agencies, such as Salud y Carino, East Cliff Family Health Center, and Live Oak Community Resources, that meet specific needs of our students. We are highly engaged in supporting our students.

Description of tasks and duties the student may expect to engage in:

- Group Counseling: 9 week sessions
- Individual / Crisis Counseling
- Student Check Ins

- Collaborate with the school counselor on anti-bullying measures / restorative justice practices
- Support students with behavior interventions
- Participate on the site Positive Behavior Intervention and Support (PBIS) team.
- Collaborate with teachers, counselors, and school psychologists for student behavior management
- Opportunity to attend meetings: 504, SST, IEP, etc.

Stipend

A stipend is available for this position. The amount is based on the days per week that a counseling intern is at the school site.

Applicant requirements or expectations:

We are seeking students who have a desire to supports students in a school based setting. Prior experience or knowledge of school practices is an asset in this position. Ideal candidates have strong relationship building skills and are effective communicators.

Method of application for fieldwork:

Applicants should send an email to Jennifer Ciervo, Director of Student Services, to indicate their interest in completing fieldwork in Live Oak School District. A cover letter and resume should be attached to the initial email.

Deadline for application if any and expected start date:

Open application, interns accepted on a rolling basis.

Name and contact information to apply:
