

Are you interested in  
alternative education?  
Would you like to learn  
more?

Would you like to learn more about  
the options and supports available  
to help high school students who  
are not on track to graduate OR  
who have already failed to  
graduate on time?

*A World of Opportunity*

As part of the Campbell Union High School District, at Campbell Adult Education, we serve students who have not been successful in traditional comprehensive and continuation high schools. Our high school students range in age from 17 ½ to 58 years of age (and up!).

Join us to complete some of your required hours and engage with our very passionate staff and motivated students who are pursuing their goal of completing high school.

As an intern, you will be assisting with new student orientations, college tours, providing academic counseling, college counseling and planning, career advising, participating in workshops on resume writing, FAFSA, career exploration, and much, much, more.

If interested: Please contact Christine Denos at [cdenos@cuhsd.org](mailto:cdenos@cuhsd.org) or by calling (408) 626-3402 x2613
