Engineering Student Success Center (ESSC)  
9am | Room 189 | Program Presentation  
9am - 1pm | Room 116 | ESSC Office  
Staff and peer mentor resources for engineering student success. Services include general education advising, peer advising, professional development, graduation planning, and campus resources.

Coffee with the Dean  
10am & 11am | Room 285  
Coffee with faculty and the Dean of Engineering. Learn about the college and ask questions.

Diversity Programs  
9am - 1pm | Room 358 | Student Club Tables  
9am - 1pm | Room 366 | MEP Office  
Learn about clubs, events and programs that help you succeed as a diverse engineering student at SJSU. MRSA Engineering Program (MEP) hosts a variety of student-centric events, conferences, clubs, and alumni connections to help students gain experience and network.

Engineering Building Tours  
9am - 1pm | Engineering Lobby  
Explore the labs & classrooms and learn about the college with student-led tours.

Engineering MakerSpace  
9am - 1pm | Room 184  
College facility with fabrication equipment for engineering projects.
