Graduate Degrees
For a list of graduate degrees and credentials, visit sjsu.edu/admissions/graduate/degree-programs.php
General Requirements
You will be eligible to be reviewed for admission by SJSU if you meet the following criteria:
1. Earn the equivalent of a U.S. 3.0 grade point average (GPA) or an average of “B” grades. If required, SJSU will convert your international GPA to a U.S. GPA in order to evaluate your application. Please note that some majors require higher GPAs than others.
2. Successfully complete three years of college preparatory mathematics with a minimum grade of “C-” or better.
3. Complete 4 years of college prep English or submit official passing test scores from an approved English language proficiency test (TOEFL, IELTS, PTE or Duolingo). Scores must meet minimum requirements for your major and must be sent directly to SJSU from the testing institution.
4. Submit official secondary school (high school) transcripts, which must include the completion/graduation date.

Eligibility Index (EI)
For Fall 2023, SJSU will use your Grade Point Average (GPA) to calculate your Eligibility Index.

Residency: Nonresident of California
Minimum GPA Requirement (a-g coursework): 3.00 or greater
Applicants below these GPA minimum requirements will not be considered for admission at SJSU.

Impaction Criteria (for Freshmen)
Meeting Minimum Admission Requirements Does Not Guarantee Admission.
Admission to San José State is competitive in all majors because SJSU continues to have more qualified applicants than available new student spaces. This situation is called “impaction” and it means that meeting the minimum academic requirements for CSU eligibility does not guarantee admission. First-year (freshmen) applicants who have met the minimum CSU eligibility requirements will be ranked in each major by an eligibility index primarily based on the self-reported GPA earned in a-g course requirements at the time of application. SJSU’s eligibility index will continue to include preference to local applicants.

At SJSU, additional consideration will be given to applicants who qualify for the Cal State Apply fee waiver, are the first in their family to graduate from a four-year college (first-generation), and/or are a U.S. veteran.
Applicants to majors in the College of Engineering will be ranked using a modified eligibility index that will take into consideration applicants’ math GPA in combination with the factors listed above.
Applicants to the BFA in Animation and Illustration will be asked to complete a short supplemental drawing exercise as part of the application process. Faculty assessment of the submission could result in an additional GPA bump.

Please see sjsu.edu/admissions/impaction for details about this process for Fall 2023.

Additional Requirements
If you attended a high school with American accreditation, you must meet the domestic “Freshman Admission Requirements” at sjusu.edu/admissions/freshman/admissions-requirements as SJSU will evaluate your application based on the academic requirements outlined on this page.
If you have taken “O” level examinations, SJSU requires that five subjects are passed in one sitting, including Math and English (English as a Second Language, or ESL, is not acceptable); if these requirements regarding “O” level examinations are met, the English Language proficiency test will be waived. Certified copies of “O” level examinations must be sent directly to SJSU from the testing service or attested by your school; scores sent by the applicant will not be accepted.
If you have taken “A” level and/or “AS” level examinations, SJSU may award college credit if you pass these exams with a “C” or higher. SJSU must receive “A” and “AS” level examination scores directly from the Board of Examinations. Scores sent by you or certified statements of exam results will not be accepted.
If your studies were in the International Baccalaureate (IB curriculum) program, please submit your school transcripts for evaluation. You will be required to complete four years of English and three years of mathematics and earn a passing score of “C-“ or higher. For those earning scores of 4 or higher on the IB Higher Level exams, SJSU may award college credit.

English Language Proficiency Requirement
To satisfy the English language proficiency requirement, undergraduates may take any one of the following tests:
- Test of English as a Foreign Language (TOEFL)
- International English Language Testing System (IELTS)
- Pearson Test of English (PTE)
- Duolingo

If you miss an SJSU deadline, we will withdraw your application for admission, and you will not be able to attend SJSU for the term in which you applied. If you have an extreme circumstance that may cause you to miss one of our deadlines, contact international.admissions@sjsu.edu prior to the deadline date so that we can help you.

Coursework Outside U.S.
Very Important!
When you fill out the admission application at CalState.edu/Apply, you must include all high schools and colleges/universities attended, including those that are outside of the U.S. Failure to report an institution could negatively affect our ability to verify your eligibility for admission.
Transfer
Academic Requirements

Lower Division Transfer
(applicants who have earned less than 60 semester/90 quarter transferable units)
You will be eligible to be reviewed for admission by SJSU if you meet the following criteria:
• Must have earned less than 60 semester/90 quarter transferable units.
• Meet all Freshman Admission Requirements. (Please refer to the Freshman Admission Requirements section).
• Earn a grade point average (GPA) of 2.0 or greater in all U.S. college/university work and an “B”/3.0 in any secondary coursework.
• Complete 4 years of college prep English or submit official passing test scores from an approved English language proficiency test (TOEFL, IELTS, PTE or Duolingo). Scores must meet minimum requirements for your major and must be sent directly to SJSU from the testing institution.
• Be in good standing at the last institution you attended (for example, not disqualified).
• Meet impaction criteria for your major.

Upper Division Transfer
(applicants who will have earned 60 semester/90 quarter transferable units by the end of the Spring 2023 term)
You will be eligible to be reviewed for admission by SJSU if you meet the following criteria:
• Successfully complete the equivalent of 60 semester/90 quarter transferable units. SJSU does not accept applications from individuals seeking a second bachelor’s degree; please consider applying to a graduate level program.
• Pass the four basic skills courses equivalent to those taken at a U.S. college or university with a grade of “C-” or better (see list below). The four basic skills courses and a minimum of 60 semester/90 quarter transferable units must be completed by the end of the spring term prior to fall admission. Summer coursework will not be considered to meet these requirements.
• Earn a grade point average (GPA) of 2.0 or greater in all U.S. college/university work and an “above average GPA” in any international coursework. Due to impaction, a 2.0 GPA does not guarantee admission.
• Be in good standing at the last institution you attended (for example, not disqualified).
• Meet impaction criteria for your major.

Impaction Criteria (for Transfers)
Admission to San José State is competitive in all majors because SJSU continues to have more qualified applicants than available new student spaces. This situation is called “impaction,” and it means that meeting the minimum academic requirements does not guarantee admission to San José State. CSU eligible transfer applicants will be ranked in each major based on their self-reported GPA.

Majors with (Program-Specific) Preparation Courses
Select majors (degree programs) give preference to applicants who have completed program-specific preparatory courses. These programs are noted in the “Degrees” section and will give preference to students based on a combination of their self-reported GPA and the completion of program-specific, lower division coursework.
For example, if two applicants to the same program have the same GPA, preference will be given to the applicant who has completed the greater number of program-specific preparation courses. Similarly, if two applicants have completed the same number of program-specific preparation courses, preference will be given to the applicant with the higher GPA.
The program-specific courses that will be considered are listed at sjus.edu/admissions/impaction

NEW for Fall 2023: Applicants to the BFA in Animation and Illustration are required to complete a short supplemental drawing exercise as part of the application process. Faculty assessment of the submission could result in an additional GPA bump.

Last Year’s Thresholds

Lower Division Transfer
Lower Division Transfer students are held to Freshman impaction criteria.

English Language Proficiency Requirement
To satisfy the English language proficiency requirement, undergraduates may take any one of the following tests:
• Test of English as a Foreign Language (TOEFL)
• International English Language Testing System (IELTS)
• Pearson Test of English (PTE)
• Duolingo

Exemptions to the English Language Proficiency Test Requirement

We encourage all students to take one of the English language proficiency exams above.

Office of Undergraduate Admissions
San José State University
One Washington Square
San José, CA 95192-0016

Continue to check MySJSU for important messages, required documents, and deadlines.

Admission Document Upload Tool

Check your MySJSU To Do List for instructions on how to submit your documents. Your bank document, Declaration of Finance form, and a copy of your passport should be submitted via the SJSU Admissions Document Upload tool.

Enter your nine-digit SJSU ID and your name exactly as listed on your Cal State Apply application for SJSU. This information will be used to link your documents to your application, so please be sure to check your information carefully.

Official documents such as official transcripts, test scores, etc. cannot be uploaded through the Admissions Document Upload tool. Check your MySJSU To Do List to see your list of required documents and how each document must be submitted.

Submitting Documents

- Convert documents to PDF format. Free PDF converters are available at primopdf.com or freepdfconvert.com. PDFs should be about 8.5 x 11 inches in paper size. (Larger size PDFs may not be readable by our system.)
- Make sure the documents are readable, in individual files (one form per PDF document), and that the institution name is at the top of the page.
- Upload each document in a separate PDF or TIFF.
- Submit individual documents by clicking on the button that corresponds with each document request. Example: upload your passport photocopy to the button labeled “Attach Passport”. Please note: when submitting several documents in the same upload form, it may take a few minutes to process.
- Check your To Do List in three weeks to ensure your MySJSU account shows your items have been submitted.

After Documents are Submitted

After submitting your documents, you will be directed to a Documents Submitted page, which confirms your submission. Do not send the same documents again (via the Admissions Document Upload tool or by mail) as it will delay processing. An email confirmation will be sent to the email address we have on record for you, not necessarily the email entered above. This email receipt is another confirmation that we have received your document.
