- Zuora
- **More to Come!**

Register and sign up for your sessions.
Registration opens at noon on 9/29.

For reasonable accommodations for persons with disabilities, call 408-924-6031.
WHAT’S A VIRTUAL FAIR?

Virtual fairs offer the chance to video chat with employers for about 10 minutes through the Handshake video conference system. All career fairs (virtual and in-person) are listed on Handshake (one.sjsu.edu type Handshake in search bar). Once you find the fair(s) that you’d like to attend, you can register directly on Handshake.

BEFORE THE FAIR

1. Register for the virtual fair of interest and then select your desired 1-1 or group sessions with employers.
2. Research the employers by reviewing their profiles on Handshake, as well as their websites to be able to identify their mission, services, and open positions.
3. Tailor your resume to specific opportunities/companies for which you are interested. (resume guide: https://www.sjsu.edu/careercenter/docs/career-guides/Guide_Resume.pdf)
4. Ensure you have the right setup to support your audio and video. Download the latest version of Chrome or Firefox before the event to minimize tech issues.
5. Upload a resume to your profile. Pro Tip: When you upload your resume, be sure to save it as YourLastName_FirstName_Resume (e.g. Smith_Jane_Marketing Resume)

BEFORE YOUR SESSION

6. Practice your interview skills using the Big Interview (one.sjsu.edu type Big Interview in search bar)
7. If you cannot make your appointment times at the fair, please cancel your session within 24 hours of the start time. This exhibits professionalism with employers and also allows for other students to fill the session if you can not attend.

DAY OF THE FAIR

1. Dress to impress. Virtual or in-person, first impressions count! Studies show that people feel more confident when they dress in professional attire. Be mindful of how bright colors and jewelry may appear on camera. Review pages 7-8 of our Interview Guide.
2. Set up your virtual career studio. Test your equipment (camera, audio, and Internet connectivity equipment) to resolve any technical issues. Find a quiet place, select a simple backdrop, and arrange good lighting.
3. Log in 5 minutes early and be sure to check your battery, Internet connection, and audio/video tools. For the best experience, Chrome or Firefox browsers are recommended.
4. When your video chat begins:
   • Keep your eyes on the camera, not the image of the interviewer, so you make appropriate eye contact.
   • Engage the recruiter in a chat about your fit for their position or organization.
   • Be mindful of non-verbal cues. Sit up straight, smile, express enthusiasm in your tone of voice.
5. At the end, thank the recruiter and share the most interesting aspects of their opportunity.
6. If the recruiter showed interest, ask for a LinkedIn connection or email to follow up.

AFTER THE FAIR

1. Follow up and send a thank-you email within 24-48 hours to everyone who interviewed you. Thank them for their time and reiterate your interest in the role and the organization.
2. After accepting a job offer, stop interviewing. If you have questions about negotiating an offer, please make an appointment with your career counselor on Spartan Connect (one.sjsu.edu type Spartan Connect in search bar)
3. If you do not receive a job offer, continue checking job listings in Handshake.
