

EOP requirements aim to support students' personal and academic growth by connecting them with EOP and campus resources, creating an SJSU community and sense of belonging. EOP students are involved in their education and enhance the skills necessary to successfully achieve their personal, professional, and academic goals while in college and beyond.

EOP ENGAGEMENT CHECK-IN

At the end of each semester of enrollment at SJSU, students who do not complete program requirements may receive an engagement check-in email. Students who do not meet EOP program requirements for the fall term will have their EOP status reevaluated at the end of the academic year (spring term) and may be removed from the program at that time to make space for incoming students. Fall 2024 EOP program status will be reviewed in Dec 2024/January 2025. <https://www.sjsu.edu/eop/eop/requirements.php>
