

ACADEMIC RECOVERY AT COE

Marta R Rodenas
ESSC Graduate Student Advisor
ENG 116, College of Engineering

What is Academic Notice?

- A probationary period (previously known as “academic probation”)
- An academic warning: not maintaining the academic standing the university requires for graduation
- A timely opportunity to assess study habits, academic goals, work/school balance, or even choice of program

“

“When your life doesn't
go as planned, change
your perspective but do
not stop dreaming.”

KATE MAURICE

EVERYDAY **POWER**

FIRST, LET'S REVIEW SOME CONCEPTS

SJSU Cumulative GPA (as shown on the transcript)

Includes all letter-graded work in 100-level or 200-level courses completed **subsequent** to enrollment in graduate school. Academic standing is based on this GPA.

Overall or All Cumulative GPA

Includes SJSU Cumulative GPA calculation **and** the *approved transferred* PostBac Open University courses completed **prior** to enrollment in graduate school.

Candidacy GPA (as shown on the candidacy form)

Is the GPA for the degree program, that is, the courses that appear on the [candidacy form](#). Directly related to eligibility for project/thesis –check your department website. E.g. [CMPE Dpt. Policy](#)

Term GPA

Is the GPA from averaging grades after each semester.

Academic Notice at the Graduate Level

- Per University Policy [S26-7](#) (also in the [SJSU Catalog](#)):

On Academic Notice = if at any time (following a Fall, Winter, Spring, or Summer term) your **SJSU cumulative GPA** falls below 3.0 (grade of "B" on a 4.0-point scale) in units attempted subsequent to matriculation in either conditionally classified or classified status

Academic Notice at the Graduate Level

- Graduate students on academic notice remain on **continued academic notice** when the following **term GPA** is 3.0 or better, while the **SJSU cumulative GPA** remains below 3.0.
- The **GPA** among all of the courses that appear (count toward the degree) on the **candidacy** form, AKA candidacy GPA, must be a minimum of 3.0 for degree conferral.

University Academic Notice

Academic Notice during Fall 2026

Academic notice standing starts after Spring 2026 if SJSU cum GPA is below 3.0 after academic standing posts in June 2026

Continued Academic Notice in Spring 2027

The term GPA in Fall 2026 is above 3.0, however the SJSU cum GPA is still under 3.0. The student will be on continued academic notice for this term.

Back to good Standing!

Good standing is reached after Spring 2027 grades post and the SJSU cum GPA is at 3.0 or above. Well done. Keep it up!

Academic Notice at the Graduate Level

- All upper-division (100 level) and graduate-level (200 level) courses will be used in the calculation of **SJSU cumulative GPA**.
- Courses **transferred** into the graduate program from other institutions or from the SJSU undergraduate career **will not count** in the cumulative GPA computation.

Academic Notice at the Graduate Level

- **Avoid disqualification** –graduate students on academic notice or continued academic notice must maintain a **term GPA** for a Fall, Winter, Spring, or Summer term of 3.0 or above to prevent academic **disqualification**.

Completing your Graduate Degree

- Must achieve a 3.0 Grade Point Average on Completed Graduate Degree Program:
 - Elective courses may be added to the candidacy form for grade averaging if approved by the graduate advisor
 - Alternatively, courses can be repeated up to a limit of 9 units (per University Policy [F08-2](#)) –note grade averaging.
 - The total units in the added courses and repeated courses (100 and 200 level coursework) cannot exceed in the entire graduate career 30% of the units of the degree program's total. Department may terminate the candidacy or permit completing additional courses in an attempt to raise the GPA in the program to the minimum 3.0 threshold

How does Academic Notice impact my academic career at SJSU?

- Academic Notice advising **hold**
- Potential **delay** in graduation
- **Steps to graduation:** approval of candidacy and graduation application
- **Eligibility** for project/thesis
- Eligibility for on-campus **assistantships and jobs** (by department)

Important Considerations

- Semester **unit load** –find your balance
- Open **communication** with professors
- Regular checks on your **academic progress**:
grades, meeting course expectations,
understanding course content
- Meet with your **program coordinator** every term

Important Considerations

- [Grade changes](#)
- [Late drop requests / semester withdrawal](#)
International students need to consult with ISSS prior to dropping/withdrawing due to the required full-time enrollment
- [Incomplete grade](#) (I), [CGS policies](#)
- Document **changes in your work** demands/schedule
- **Health and wellness** considerations; seeking help [timely](#) (medical health provider, [CAPS](#))
- [Leave of Absence](#) (if applicable)

Resources

- Professors
- Departmental [Graduate Program Coordinators](#)
- [ESSC](#) Graduate Advisor –available for drop-ins and appointments
- [Peer Connections](#) (tutoring for undergraduate courses)

Wellness Lounge

College is a time of new beginnings, academic achievement, and an active social life. Unfortunately, high stress can follow you along the way and is an inevitable part of the experience. Take advantage of the many resources on campus to indulge in self-care, connect with others, and increase your quality of mental health and overall wellness.

Wellness Lounge

Located on the first floor of the Student Wellness Center

Operation Hours

Monday - Thursday: 10:00 a.m. - 4:00 p.m.

Friday: 1:00 p.m. - 4:00 p.m.

THANKS!
