Additional Information

NEW for 2024-2025! Spartan Village on the Paseo

Approximately 679 new student beds will transform what is currently the south tower of the San José Hilton Signia hotel complex into a thriving student community in the heart of downtown. Double, triple and quad room types are available. The quads include a separate living room area in each unit. All units have a private full bathroom. Amenities include dining and community kitchen facilities, fitness center, gaming room, mail services, and study and recreational lounges. Residents will be required to have a meal plan. Housing staff will also live on site including student Resident Advisors (RA) and professional Residential Life Coordinators (RLC).

Room Gender Preferences/Open Housing

NEW THIS YEAR — Every resident must select a room gender preference, not a personal gender preference, when completing the Housing application. Room gender preferences are either male, female, or open housing, and will designate what type of room you would like to live in. In order to live with roommates, all roommates must select the same room gender preference.

Gender inclusive housing will be offered as open housing rooms. Open Housing Spaces will be available in CVB on the north wings of 2nd and 4th floors, Joe West 12th floor (Rainbow Village) and CVC 1st floor. If you are interested in signing up for these spaces, you must select the open housing gender room option when completing the housing application.

Open Housing Spaces are intended to provide safe, affirming, and inclusive community living options for residents who may be transgender, questioning, transitioning gender or gender non-binary, or open to having a transgender, questioning, transitioning gender or gender non-binary roommate. These spaces are not specified by gender, and will be available only to those students who indicate they would like a gender inclusive room space.

Roommate Groups

“Roommate Group Sign Up” Days, Tuesday, March 12th through Thursday, March 14th.

Each roommate group must select a “Group Leader.” The Group Leader will be responsible for creating the roommate group, adding members to the group and selecting room spaces for all members of their roommate group. Each Roommate Group Leader must complete the following steps to successfully select space for all members in their group:

1. Your roommate group must select a group leader.
2. The group leader will log into the Housing Portal and create the group on the Roommate Group page of the application including selecting a name and password for the group
3. The group leader will collect all group members’ individual SJSU emails and add people to the group using their SJSU email from the Housing portal. **ONLY current residents may participate in Roommate Groups. All applicants must be current residents.** After this step is completed, your Roommate Group Name will be displayed on the Roommate group page, along with the students in the group.
4. **Roommate groups will be assigned room selection times based on the earliest application completion date in the roommate group.** Everyone in the same roommate group will receive the same room selection date/time.

PLEASE NOTE: You may only add group members to your group if they have completed the Housing application process and completed Step 1 of the Returning Resident Process. In addition, added group members may not renew their current space.

Your roommate group is now complete and ready for your group leader to select spaces during the room selection process.

Co-ed roommate groups are permitted in co-ed Housing only (CVB 3rd floor Tower and CVB 3rd floor North).
