Essay Questions

Please answer the following questions on an additional sheet of paper.

You may write as much as you want to fully answer each question. Strong ability in English is not a requirement. The essay questions give us a better understanding of who you are (your experiences and personality) and why you want to live in the International House. *Applications will not be considered without essay responses attached.*

1. Write about yourself, your family, and your hometown.
2. Describe your interests or hobbies. How would you share your interests with others?
3. Describe your interactions with people of other cultures in your hometown or while traveling (you may relate a story about a particular set of experiences or something you have learned).
4. How will your past experiences prepare you for your stay at the International House?
5. What is your perception of the United States of America? How is the U.S. portrayed in the media in your country? Please provide some examples of how the U.S. is similar to and different from other countries.

How did you hear about the SJSU International House? *Please check all that apply:*
