### Annual Housing License

As a resident at San Jose State University International House (I-House), you have signed a full semester Housing License Agreement. In order to cancel a License Agreement, the International House requires verification of a significant change in your circumstances after signing the License Agreement. Very few residents who petition to cancel are released from their License Agreement, and substantial documentation is needed before a petition to cancel is considered for review. It is up to you to follow all of the appropriate cancellation procedures. Please carefully read the enclosed information before you proceed with the petition process.

### Financial Obligation

Please be aware that your License Agreement is for the full semester and remains intact while your petition is being reviewed. You are obligated to make all payments when due. For more information, please refer to the I-House Housing License Agreement.

### Submitting False Information

Residents who petition to cancel and forge or knowingly provide false information and/or supporting documentation will be referred to the Office of the Vice President for Student Affairs for disciplinary action according to section 41301 of Title V of the California Administrative Code. In addition, the request for cancellation will be denied or reversed and disciplinary sanctions may be imposed through the I-House disciplinary process.

### Automatic Cancellations of the I-House License Agreement

A petition to cancel for the reasons listed below will be an automatic approval upon completion of the required paperwork, which is available in the I-House office.

### Change of Student Status

If you are withdrawing or transferring, you may automatically cancel in the I-House Office by providing written documentations. If you are found to be in attendance at SJSU, your cancellation will be reversed and your account charged accordingly. Housing adjustments and/or refunds will be processed once classes show “withdrawn”.

- Withdrawing: Staff will verify records with the Registrar Office
- Transferring: Staff will verify records with the Registrar Office

# Non-Automatic Cancellations of the Housing License Agreement

A petition to cancel for reasons listed below is considered non-automatic and requires that you provide a detailed explanation and considerable documentation. Please read the information below to best prepare your petition and the required documentation. Petitions will be evaluated on the documentation provided. Although approval is not guaranteed, insufficient information will result in a denied petition. If the petition to cancel is approved, you will be subject to a number of administrative fees including but not limited to a \$100 license processing fee, 30 day rent fee, and prorated rent and board, along with parking if applicable.

## Financial Hardship

You must include verification appropriate to the circumstance and must be a loss of income that has occurred since the deadline to cancel has passed. I-House does not cancel a license agreement based on a student's realization that he/she is having difficulty meeting the financial demands of living independently and paying for college. I-House also does not cancel a license agreement because a parent decided to discontinue the support of his/her student's expenses. I-House will ask the student to pursue the following options to meet financial obligations.

- Accept all loans offered
- Develop a payment plan with the Director of I-House
- Obtain employment
- Increase work hours
- Apply for financial aid/loans
- Ask for additional family assistance

## Required Documentation

In order to meet requirements of the petition process, a student must present considerable documentation that clearly demonstrates the change in financial situation. Although I-House cannot take responsibility for determining what specific documentation be presented, a student might consider the following types of information.

- A letter describing the hardship
- Bankruptcy documents
- Parent's unemployment records; set of parent's tax returns showing significant drop of income
- Documentation regarding all sources of income and living expenses
- Evidence of having applied for financial aid
- Evidence of employment from pay stub or verification on employer's letterhead (hours, income)
- Recent unpaid expenses not anticipated

## Personal Hardship

It is not unusual for students to find adjusting to college and living in a student residential community a big challenge. Whether it is finding a quiet place to study, resolving differences with a roommate or adjusting to sharing a room, it may feel that community living isn't working for you. I-House understands this feeling of incompatibility but it is not a reason that can be accepted for canceling a license agreement. Instead, staff will meet with you personally to identify your concerns and assist you in problem solving.

Some approaches you may be asked to pursue are:

- Talk to your Resident Advisor, Head Resident, or professional staff at I-House
- Talk to one of the counselors at Counseling and Psychological Services (CAPS)

## Required Documentation

If a student pursues personal hardship as his/her reason for cancellation, he/she must submit the following:

- A letter describing the hardship in detail and steps taken to resolve the matter
- Supporting documentation from a licensed counselor, medical doctor, etc

## Medical/Psychological Hardship

Your medical condition must have significantly changed since the cancellation deadline and prohibits you from living in on-campus housing. You must write a letter explaining your situation and also provide documentation that verifies the medical necessity for cancellation.

## Required Documentation

- Appropriate medical documentation provided by a licensed physician. The letter must be on a physician's letterhead stationery and must include a statement of how living in on-campus is related to the medical condition and the Licensee's treatment.
- Pregnancy confirmation/due date
- Evidence of seeing a counselor/psychologist/psychiatrist/ and why issue necessitates license cancellation.
- Letter from Accessible Education Center staff member and why issue necessitates license cancellation
- Other supportive information at your discretion

## Marriage

If you married since the deadline to cancel the license agreement or have a marriage pending within 30 days of the expected cancellation date, you must submit all required materials in addition to the petition to cancel and personal statement.

## Required Documentation

- Copy of Marriage License
