- **Additional Remarks**: Provide any additional pertinent information.
### Certification of Official with Signatory Authority

The individual who signs section may be the same official who signed the Employer Certification in Section 4, or it may be another official. An employee with signatory authority for the employer should review the certification and affirm the statement by signature.

For the material change certification (Item 4 in Section 6) please note that material changes in the plan can include (but are not limited to) the following: any change of EIN resulting from a corporate restructuring; any reduction in compensation from the amount previously submitted on the Form I-983 that is not tied to a reduction in hours worked; any significant decrease in hours per week that a student engages in a STEM training opportunity; and any decrease in hours below the 20-hours-per-week minimum required under this rule.

Review the certification and affirm the statement by signature, printed name and title of Employer Official, and date of signature.

**Please note:** Digital signatures are allowed.
