

International applicants must affirm that they are responsible for paying all tuition, fees and living expenses for the entire period of intended study by completing the Declaration of Finance form. In order to issue your I-20, we are required to collect documentation that shows you have funds available to pay for the total estimated expense for the first year of your academic program. Estimated expenses include tuition, fees, living expenses and health insurance. Actual expenses may vary.

Please note: If you are currently on an H4 or F2 vis and want to convert to an F1 student visa, please do NOT submit this format at the time of admission.
