The Minor in Forensic Studies is a 15-unit minor open to all students at San Jose State University. As is the case for all minors at SJSU, students must ensure that at least 12 units of their minor coursework is *unique* from their substantive major coursework. New students to the minor should begin by completing a Change of Major/Minor form found on the registrar's forms webpage. For more information on the Minor in Forensic Studies, please see the <a href="forms-fo
