Undergraduate Public Health Program Advising Plan

Undergraduate Public Health General (21 units UDE) for first year students admitted Fall 2018.

This advising plan assumes the following requirements have been met by Fall 2021: Lower division GE, American Institutions (AI), PE, HS 1, HS 15, HS 67, and the WST. Please meet with a CHHS [success center advisor](#) if you have questions about your GE, AI, PE or WST requirements. Please meet with a [Public Health UG program faculty advisor](#) if you have questions about Public Health preparation courses.
