

Now some practice!

The following people come to you to ask which of their convictions *must* be dismissed and which *can* be dismissed.

Assume that

- Unless shown, the people are eligible to file for expungement (dismissal)
- They have no probation violations other than from new convictions shown on their records
- The last conviction shown is their last conviction

Now some practice!

Following are some felony convictions.

Assume that all offenses involved people who were over the age of 21 and not on school grounds (matters for Prop 64)

Decide what law applies, if any:

17(b), Prop 47 or Prop 64

Then decide whether the conviction can be reduced, must be reduced or can't be reduced.

Is reduction of Mr. A's convictions Mandatory, Discretionary or Ineligible?

Incarceration: jail, 1170(h), or prison	Law	Can / Must / Can't be reduced
