If you have **NOT** completed all degree requirements*:

The final review of your graduation application takes about 3-4 weeks from the time academic standing has been processed, January 11th. This means that most degrees **will be posted by February 6, 2023**.

Please do not contact our office until at least early February to inquire about the status of your degree, as it is most likely in process of being awarded.

If you did not complete all degree requirements **expect to receive a Hold Letter via your SJSU email**. (Please make sure to check spam/trash folders.) A Hold Letter lists outstanding requirements. **Review it carefully!** The Hold Letter also provides a deadline to submit documents and/or address particular issues. The deadline for Fall 2022 graduates is **February 17th**. Make sure to meet this deadline!

If you do not expect to complete all requirements by **Fall 2022** then you must change your graduation term. [Submit a graduation date change](#).
