

If you have NOT completed all degree requirements*:

The final review of your graduation application takes 5-6 weeks from the time academic standing has been processed, January 11th. This means that most degrees **will be posted by February 11, 2022.**

Please do not contact our office until at least mid-February to inquire about the status of your degree, as it is most likely in process of being awarded.

If you did not complete all degree requirements **expect to receive a Hold Letter via your SJSU email.** (Please make sure to check spam/trash folders.) A Hold Letter lists outstanding requirements. **Review it carefully!** The Hold Letter also provides a deadline to submit documents and/or address particular issues. The deadline for Fall 2021 graduates is **February 25th.** Make sure to meet this deadline!

If you do not expect to complete all requirements by **FALL 2021** then you must change your graduation term. Submit a [graduation date change](#) with appropriate fee

Note that all students who plan to enroll for Winter/Spring 2022 or later must meet the University's COVID-19 [vaccine requirement](#).
