## Approvals

**Faculty Mentor Signature:** \_\_\_\_\_ **Date:**

*My signature above confirms that I am the faculty mentor for this project and that I am aware of this application to the 2022 Student RSCA Competition.*

**Student Applicant Signature:** \_\_\_\_\_ **Date:**

*My signature above confirms that I am able to participate in all elements of this virtual competition and that I will be available, if chosen, to attend the 36th Annual California State University (CSU) Student Research Competition, hosted virtually by San Francisco State University April 29-30, 2022, and to present my research at the SJSU Celebration of Research on April 14, 2022.*

As a participant in the SJSU Student RSCA Competition, we would like to obtain your permission to use your image and your research work for public display, if you are selected to represent SJSU at the SJSU Celebration of Research or the CSU Student Research Competition. We would like to feature you, your work, results and activities for the purpose of compiling a slide show to be viewed at the SJSU Celebration of Research. In addition, images may also be used on the SJSU Office of Research, Division of Research and Innovation, and Research Foundation website or annual report as a tribute to your accomplishment. The Office of Research would also like your permission to have your name published on our department and campus website, as well as any CSU statewide or nationwide announcements. Please indicate your permissions below.

I give permission for my email to be shared with other SJSU and/or CSU student participants, faculty and staff.

I agree to have my name publicized.

I agree to have my image used.

I agree to have images of my RSCA used.

I agree to have my project title, major, department and college publicized.

Submit this form electronically to your college, as part of your application packet, with appropriate DocuSign signatures (your own and faculty mentor), no later than 5pm, February 11, 2022. This form must be accompanied by:

- A narrative, not exceeding 5 double-spaced pages, that describes (1) the need for this RSCA and the problem being addressed, (2) the methodology or approach, (3) the results or product, and (4) significance of the results or products.
- Any needed appendices (bibliography, graphs, photographs, or other supplementary materials) may not exceed three pages.
- Research that involves human or animal subjects must have appropriate institutional approval.
