Amendment A to F17-1, University Policy, Protection of Human Research Subjects

Legislative History:

On February 12, 2018, the Academic Senate approved the following policy recommendation presented by Senator Schultz-Krohn for the Curriculum and Research Committee. This policy recommendation amends F17-1 to rescind University Policy F08-1. University Policy F17-1 updated the Policy for the Protection of Human Research Subjects and rescinded S08-7, but it did not rescind an amendment to S08-7 in University Policy F08-1. This policy corrects that oversight and rescinds F08-1.

Rescinds: F08-1

and
- Whereas F17-1 rescinded S08-7 but did not rescind F08-1, an amendment to

- Whereas F17-1 should have rescinded both S08-7 and the amendment to S08-7
(F08-1); therefore be it
