

Candidate's Statement for Instructional and Student Affairs Chair 2024-2025

I hope to serve the Academic Senate by continuing to chair the Instruction and Student Affairs committee for the next academic year. ISA continues to work on policies that are very important to our university operations and student success. Being a part of that continues to inspire and motivate me to support our institution in this manner. I believe that my commitment to this critical university work is beneficial to a role such as the chair of ISA. In addition to my commitment to this work, I feel that I bring strong leadership skills to the role, as I have chaired both ISA and my department for many years. I would appreciate your support in selecting the next ISA chair.

Thank you for your consideration,
Laura Sullivan-Green
