

Greetings fellow senators,

I would like to submit my name for consideration as chair of the Organization and Government (OG) committee.

I am currently serving as the OG committee chair. During AY 23/24 I have been honored to facilitate and coordinate the committee, working collaboratively with committee members on recent matters including expanding eligibility for senate service to additional personnel from Academic Affairs and Research and Innovation. OG was also recently involved with a referral to the Curriculum and Research committee on reorganizing the Program Planning Committee into the Academic Planning Committee. We are presently reviewing a referral on ranked choice voting, and another related to availability of senate minutes and other non-confidential meeting documents.

I would be grateful for the opportunity to continue my role as the chair of OG. Service as a senator and as a senate committee chair has been a rich learning experience for me. I am grateful for the enthusiastic participation of the members of the OG committee. It has been a great group of people to work with. I hope to see many of the old faces and hopefully some new members as well.

Thank you for the opportunity to share my interest in serving as the chair of the Organization and Government Committee.
