

Candidate's Statement for Instructional and Student Affairs Chair 2021

I hope to serve the Academic Senate by continuing to chair the Instruction and Student Affairs committee. There are many referrals pending in ISA that I am confident will impact our changing university in positive ways. These referrals and the other work of ISA still inspire me.

The highly varied work of ISA is critical to the university's mission and student success. It requires tenacity and a commitment to growth as an individual and leader, as there are always new colleagues to get to know, group dynamics to manage, and new university procedures to learn. I have this commitment and would appreciate your support as ISA chair next year.

Thank you for your consideration,
Laura Sullivan-Green
