Dear SJSU,

As we approach the end of the academic year, I wanted to share a year-end update from the Title IX and Gender Equity Office (Title IX Office). This past year, our team has worked hard to enhance many of our services. While we still have work to do, we have made considerable progress. The enclosed fact sheet illustrates some of the recent improvements to our services.

Your feedback makes us better. I will be holding an open Q&A on Tuesday, May 9, from 2–3:30 p.m. in Clark Hall, Conference Room 336 (3rd floor). All are invited to attend!

It has been an honor to serve as your Interim Title IX and Gender Equity Officer this past academic year.

Warmly,
Peter Lim
Interim Title IX and Gender Equity Officer
