PROTECT YOURSELF
AND YOUR LOVED ONES

Get your Flu Shot today!

Flu season is right around the corner. Protect yourself, your family and your community from the flu. This year, we’ve set up safe, drive-up flu shot locations that are now open at the locations listed below. Members attending in-person office appointments will be offered flu shots during their visit.

**Flu shots are available Monday – Friday, 8:30 a.m. – 4:30 p.m.**

Follow the signs at each location and look for the large tent.

- **Fairfield** 1550 Gateway Blvd.
- **Napa** 3285 Claremont Way
- **Vacaville** 1 Quality Drive
- **Vallejo** 975 Sereno Drive

Before you arrive, be sure to:

- Dress in clothing that allows easy access to your upper arm
- Bring your photo ID, Kaiser Permanente membership card, and a pen
- Bring your mask and keep it on at all times (age 2 and older)
- When you arrive, please stay in your vehicle

For information on additional locations to get a flu shot, visit kp.org/flu or call 1-800-573-5811 for the latest flu vaccination information.

Please note: If you’re experiencing a cough, fever, shortness of breath, or other symptoms of COVID-19, call our Appointment and Advice Call Center at 1-866-454-8855, or email your doctor before getting your flu shot. If you’ve had a COVID-19 test and are waiting for the results, or already tested positive, get your flu shot after your self-isolation period ends.
